Bonjour Claudine

We were lucky to catch up with Claudine for a photo shoot and a few minutes of conversation with this globe-hopping diva. "I love America," she says in that sexy French accent. "Ze American men, zay are so nice and zay always smell so very good."

"I have not yet chance to fuck
ze American man, but I hope will
be soon. I cannot wait to put my
mouth on cock and suck hard.
Ze French men love ze blow job
and to eat ze pussy. I think we
invent it. If not, then we make
it perfect. No?"

Well, Claudine, since you put
it that way, then – Oui!

*Believe it or not,
I was rocker chick in
the Eighties. I guess
you could even call
me a groupie. I had
a huge crush on Billy
Idol. I loved the way
he dressed and snarled
when he sang. One
night I got close to
seeing Billy by giving
a roadie a back stage
hummer, but he still
wouldn't let in
to see him!*

*What I learned as a groupie,
I've applied to different situ-
ations. Like getting ahead
in line at a movie theater or
busting through a line at a
nightclub when all the other
chicks are still waiting in
line. Men will do anything
for a nice smile – and some
pussy. Don't get me wrong,
I don't get everything I
want with my pussy. Just
some things, you know.*

The biggest thing I ever got using my pussy-power was a car. It was a Beemer convertible. But I especially like the smaller things; like diamond rings or jewel encrusted watches. Would you like to know how I do it? I'm not a gold-digger, just a grateful woman for men's company. Call me and I'll tell you more, but only if you're over eighteen.

A raven-haired personification of classical beauty. This all-natural goddess has the look of royalty in her eyes. Renna was raised on a peanut farm in Georgia. When she reached her teen years, this lithe beauty decided to rebel against her conservative parents.

She moved to Europe to model. Renna loves the feel of plush leather rubbing against her perfect skin. To add even more sensual stimulation to this already torrid mix of turn ons, she fingers her freshly shaven slit. Her full red lips and puffy nipples are there for the taking. Watching her caress herself to orgasm is indeed a great thing of natural beauty.

So how does a delicious creature such as this end up in the pages of our magazine? That's easy... It's the promise that you'll call her and speak to her with passion and eroticism to make her wet. Can you do that for her? 18+

If you are a breast man, then kick back and get comfortable. We've filled the following pages with beautiful Jeri and her perfectly big boobs. Jeri's boobs are so fine that we had a real hard time editing the shots from the shoot. Yes, she's really fine everywhere, but with those boobs staring you in the face, how can you not help but stare back. But, admittedly, her mountainous melons were definitely the biggest attraction. Enjoy, but not too fast!

LIZ

I love chocolate. There's just something about the taste and texture of it. Especially when it gets just a little bit warm. Making love and eating chocolate are like one and the same. A few years ago I took some candy-making classes and made some sexy chocolates for my husband.

I made some x-rated sweets
and gave them, and myself,
to him for his birthday.
We went to bed early and
brought the chocolates with
us. We snacked for hours
and melted the chocolate
for body painting and body
licking. We had so much
fun we did it again the
next night, and the next
night, until we got sick
of the chocolate, but
not the sex.

I used to be a topless dancer for Les Folies Bergère at the Tropicana Hotel in Las Vegas. It was the best time of my life and I met some of the most wonderful, and not so wonderful, people there. There were always guys who wanted to meet and get with the girls, but the club policy was not to date the patrons. That's where I got my name Frankie – for fooling around with Sinatra.

But truth is I never fooled around with him. He would come by the club and say hi to the girls. He was always very sweet to us and quite generous too. The dancers I was with were quite a diverse group. We had girls from all over the world, and they were all beautiful. Many of them were gay and I must say, very good lovers. Since we were not allowed to date customers, many of us turned inward and dated each other. It was fun.

One night a sheik came in and bought out all the tickets for his entire entourage. After the show he invited us back to their suite and management said we could go. Five of us accepted his invitation and went. They had the whole top floor at the best hotel. We drank champagne all night and got pretty wasted. Fortunately I still remember what went on. Want me to tell you? It was really hot!!! Call me and I'll share it with you.

Letters From Our Readers

Comments on the magazine, the sexy ladies, and our readers' thoughts on sex.

THIS IS WHY WE DO WHAT WE DO

Editor,

Three or four things prompt this letter. Well I wouldn't call these Mothers I'd Love To Fuck "things." Women would be better.

Shortly before going to the newsstand to buy 50+ #29, I sent a letter off to Bree Olson. That is horny enough.

Then while at dinner, I walked a trio of women. Later I would learn three generations of one family. Forget the eldest and youngest – the middle doll was about 50. Great shape. A nice figure. Super pair of cans sticking out. Stunning straight long brown hair down her back. (That's right, I really looked at brown hair and not blond!) Adorable Brown Bangs. Skin Tight Blue jeans that framed her perfect ass. And best of all her jeans were tucked into an awesome pair of BLACK BOOTS!!!

This honey might not really think about all this but she was dressed to kill with her frame. No ring on her fingers. I'm sure she is great in bed with that body to play with. Some night I'll think about her in bed when I'm yanking away. And let the sight of her body turn me on.....

So I'm already hotter than planned when I start to look at the dirty mags. Shortly I was drawn to the cover of 50+. With this delightful doll named MARY on the cover. My first thought – more Mary Carey pictures to lust at and enjoy. Sadly, not this time. A topless blonde with blue eyes? Let's look more...

Mary's Covergirl picture couldn't have been better. Her inside the cover shot is just as good. Tits sticking out, smiling, BLACK STOCKINGS! This was going to be a VERY GOOD article. Skipping some other gals, I went to Mary's first shot on the bed. Great legs and those tits again on display. The top

photo on the next page shows her legs very well. But the bottom pic is better, with her ass sticking up in the air awaiting the cock. She's sexy on all fours with her head on the pillow.

Turning the page is another wonderful shot of Mary's head on the pillow. And now her rear is in the center of attention. With her asshole and cunt in plain sight above her black hose.

Mary, Mary, you've set this guy's cock to throbbing. Your pictures are a real turn on and he's telling us why!

Mary has shed her un-needed bra on the next page, resulting in two glorious views of her on her back, spreading her cunt lips wide apart. Her face is lovely to look at in the bottom pic.

For many years you have come up with "out-of-the-box" thinking on how to exhibit your models. Doing things not found in other porno mags. Why they have not followed your lead is unknown. But these next two pages show an amazing sequence of Mary's cunt being put on display in an almost unique style. She

begins with a "tame" shot of her butt, just as if she took off her jeans or shorts. Below she has begun to pull her pussy apart. On the top of the next page her efforts result in a clear view deep into her love tunnel. And if that is not obscene and vulgar enough, Mary's fingers have pulled all the lips apart to reveal the shine in her cunt below her pretty asshole!

It took a genius to dream all this up. He was helped of course, by Mary's unswerving ability to do exactly what we asked of her as a XXXX model. Just lean over that chair and play with your ass when we tell you to. The results are out of this world hard-core smut!

Mary's Centerfold could not have been better. How could it when everything needed was shown: a pretty blonde looking right into the camera. Perfect face, smile, teeth, dimples. Great tits and nipples. Legs of a real cougar attractively wrapped in black (I especially love the curves on Mary's right leg). All this and she's holding her cunt wide open!!!!

Placing the second pic of M in the Centerfold was another brilliant innovation. As was showing off even more of Mary's private crotch region. And I love her right leg stuck up in the air so it perfectly meets her left leg from the other pic. This centerfold was clearly designed to drive men crazy, jerking off at two pictures of Mary at once. I'm also glad you took the time for this wonderful porno photography!

The fun continues, right on the next page, with another great layout of Rachel the Red-head. Shot in a different style than Mary, Rachel is certainly able to trip my trigger. With her first pic topless we get a nice look at those cans. The black teddy should have been gone to expose her cunt. The next page offers a nice look at her leg and high heel.

Again your creativity has shown through on the next two pages with four pics of Rachel

Letters From Our Readers --- continued

completely naked, mouth open, D-cups on display except when she is licking herself in the frame. From the look on her face, she's looking for sex. And her red hair helps signal that idea. Best of all are the four different pics of her cunt to enjoy. Rachel has obviously never heard the word "Modest!"

her hand all lead into the look on Rachel's face: EITHER CUM FUCK ME OR JERK OFF TO THESE GREAT PICTURES! What great directing this was, in front of soft white panels. Rachel's Centerfold is as great as all her other shots. Maybe better she's since she is so damn big!!! It will be tough not to Jerk

Josie's black boots would look much better on another woman. Like the one I saw a dinner. Mary and Rachel are why I bought 50+. Really clean sexy women in very sexy poses. Thanks for Mary and Rachel and all the fun they will bring. I'll see what you come up with next month.

Mary's centerfold spread is a brilliant innovation in design – and a huge, huge turn on for Steven.

After showing off her front, Rachel turns around for a trio of super ass shots. With her jugs hanging down to boot! Of the two on the left, the one with her pussy open is best. The large, two page spread of Rachel is utterly charming. It's not your ordinary cock sucker that would pose on her knees, put her index finger into her cunt, show off her crapper, then put her head on the floor, open her mouth and laugh at the camera. I even love the ridges on the skin on the back of her right leg. What a first-class look at the back of her leg!

The fun continues unabated on the next two pages. I LOVE SEEING A BITCH LICK HER JUGGS! That shot of Rachel is priceless. From her hands holding those jugs to the red hair around her face to the look in her eyes to the tip of her tongue! A+++.

A big shot below of R laying down naked, holding up a leg showing off her hole, Both Bazookas bulging out, resting her head on

off all over those Monster Melons with Nipples! Or I can follow her hand and fingers into her playland, then look at her face and eyes as I pump away.

Rachel put on a stellar performance for you. Perfectly following the cameraman's lewdest instructions to a T. She made the ideal model to follow Mary. Both of them are better than most anything we will see at the Super Bowl! Your other women deserve some Honorable Mentions for their efforts and bodies, starting with the first one Lady Ashleigh. The full-page pic of her pulling her cunt open with a big diamond on her finger is great so are the ones with the dildos stuck inside her.

How about having two pics of Dr. Sabrina again each issue? Each XXX rated with her black hose on? The half page pic of Gabrielle in the Letters section speaks for itself. Beautiful woman.

Here is what I did after typing this with 50+ on the floor: I opened 50+ to those two pages with Mary showing off her ass. I was really hard so I placed a picture of a woman I know right next to the shot of Mary's cunt in the upper right. This was incredible – looking at "Barb's" face while I was staring into Mary's cunt. It felt so good that I got a larger photo of Barb and put it on the other side of Mary's cunt. So I could look at pussy and Barb's face on top and pussy and Barb's feet below! Then I got a picture of CANDY MANSON standing up, DRESSED wearing BLACK HOSE & HEELS. Next to her I added an old pic of someone in culottes wearing black clothes with "10" type legs.

Rachel being "Modest!" – Not!

But I saved the best for last. I took a new picture I got of BREE OLSEN wearing Red High Heels and BLACK STOCKINGS with a red top. Her blond hair is hanging down her back in this view from the rear. Both of her hands are pulling Bree's ass wide apart to give a sparkling look at her Cunt and Ass. Starting at her ankles I just kept looking up and down her legs, following the red hem in the hose. Up and down staring at her legs, ankles and asshole, then looking at Mary's pussy and the dolls around it. And more of Bree's legs. And then... I FIRED AT ALL OF THESE BITCHES!!!

– Steven, Chicago

Although she works for a stock brokerage, Rhonda would love to put her outgoing personality to better use as a television show host.

Rhonda

"I just love being in front of the camera. And I have a big personality that is right for TV. I could be a judge because I'm so judgemental; or I could be a quiz show host because I think I know a lot; or I could be a news anchor because I'm always in everyone's business."

That sounds pretty ambitious to us but we know that if she puts her mind to it, Rhonda can do it.

Better yet, Rhonda would jump at the chance to be in a soap opera.

"I'm such a drama queen and there's so much of that on soaps. I can laugh one minute and cry the next, on cue. I have a ball-busting side and a warm fuzzy side. And, I can fake orgasm really well. Just ask ninety percent of my sex partners."

Did she really say that?

"Yes, it's true. I'm a great orgasm faker. Guys are so macho that they think they can please any and every woman. Well guys, sad fact is that you can hardly please this woman. I can come really easy, but guys are usually just into getting off. So when they are cumming, I step up the moans and groans and that clinches it for them."

Guess she did!

If you have a story about one or more of your erotic experiences, then go write ahead. You can send your stories to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

I'm writing to your magazine because I noticed you run classified as or personals on occasion. Well, I want to share one of my experiences and let you know that there are ways to actually meet the type of person you're looking for through these ads.

Meeting a person of the opposite sex has been difficult throughout the years. But in today's world of mass communications, social networking, online dating, mega-clubs, and even speed dating, it is easier to meet people. But do you really know who you're meeting? I don't want to talk about the stalkers or the truly weirdos that populate the pages and screens, but rather how a normal person with a true desire to meet someone compatible should go about this often daunting task.

But first let me tell you about one of my experiences. There are probably many people that can relate to this so please bear with me while I describe it to the other good folks.

I divorced my husband back in the mid-eighties because he was rude, and slept around on me. I was so disgusted with men for years, that I stayed celibate, didn't date and even tried a quick experimental affair with a woman. I found out I preferred me, but how to find a nice one? I did not want to be set up be friends and I would not date anyone from the office or health club. So, in quiet desperation, I started looking at the personals and people classifieds in different newspapers and magazines. I had some nice pictures taken (nothing too sexy) and struggled to write an interesting bio on myself.

I was shocked at how many responses I got

GET PERSONAL FOR THE PERSONALS

from a couple simple postings. I would arrange meetings, and for those who showed up, I was disappointed. Not only did they not look like their pictures, but always were much older and weirder. But I did eventually meet a nice guy, who also had just been through a divorce, and we hit it off. We saw each other for a couple years until I discovered that he was addicted to answering personals and ended up cheating on me. While we were dating, we laughed and compared notes on the other people we had met this way.

Now in the age of computers and the internet, I look back at my lessons learned and hope you will find some of my information worthwhile. But before you do anything, think very seriously about posting or answering any ad. It could just be a matter of life or death.

So let's get started. I'm going to assume you are not a cranker and are truly hoping to meet someone this way. Since 90% of personals are on the internet, I'm going to focus on that. There are very few controls on the internet and with most of the sites you can self-publish, unlike the old school days when there were editors and publishers in between.

The first rule has always stayed the same – the truth. It's easier to lie and make things up, but if you really want to meet someone you might be compatible with, then it doesn't pay to lie. What you say about yourself is very important so take some time in doing so. Don't be afraid to redo it and edit it until you are happy with it and what it says about you.

Use proper English and spell words correctly. If you're not a good speller, write your message on a computer program and use the spell check feature. Remember, the lady needs to be impressed with you in very few words but don't type your message like you type your texting! Silly emoticons are just not cool.

Before we go any further I just want you to know that I know why you're using these services. You want to get laid. You are probably not looking for a permanent relationship, but a compatible bedmate. Admit that you're horny, but if you don't put forth the effort, you'll never get near that pussy you're looking for.

Find the right words to describe yourself. Are you daring? Are you resourceful? Are you patient? Are you willing? Don't use feminine adjectives and descriptions. You are ruggedly handsome, not cute. Kitties

are cute. Stuffed toys are cute as are babies sneezing. Stick with the manjectives. Don't call yourself hot or sexy since everyone's idea of that is a little different. One girl's turn on is another girl's turn off, and you don't want to turn anyone off. It cuts down the gene pool.

If the site offers headlines, be extra careful here. This is your first impression so make it a good one.

By all means, stay away from porn-speak:

Seeking young, hot mama to do it all now!
or
I got what you NEED and you know you need it NOW.

That sounds more like a porn infomercial. Women don't relate to that. Guys reading it might go – Oh Yeah! – but no woman is going to be turned on by it. How many women do you know that walk over to a construction worker and give them a bj after they have whistled at them?

Refrain from capitalizing anything, especially orders. It makes you look too bossy or desperate. Urgency is not a reality in online dating. Also, stay away from using the word "need" in your ad especially in all capitals, which is equally pathetic.

Remember, urgent postings are unrealistic. Pace your postings. Never post more than once in a day. Once a week should be okay. Plan to do it at different times though because people have different schedules and those that view postings at noon are not the same as those cruising the personals at midnight.

Don't ask or suggest anything unrealistic like asking for immediate sexual gratification, or offering a lunch junket to Paris. Do you actually think that a woman is going to be desperate enough to give it up to an online listing? Do you really think she'll jump on your jet and be stuck alone with you for ten hours at 35,000 feet? If you had

a jet, you probably wouldn't be posting an online ad to get laid or need a lunch date in Paris, now would you?

That stuff only works in the movies and on television commercials. If you are ever around real people, you'll find that is never a topic of discussion. Don't pretend that you are a rich or successful businessman. If you really were, you wouldn't be looking for online nookie. You'd be able to hire someone to be your wing man.

Referring to a woman's body parts in a posting is always the kiss of death. Men don't have the finesse to refer to a woman's parts in any manner to make her comfortable or willing. She doesn't know you. She probably has a hard time talking to her mother about it, let alone a stranger on the internet. Leave the dirty talk till you've actually met and dated her and then see if she's accepting of it. You can't get in the car if she doesn't open the door.

Stay completely away from any fetish you may have. Most of us like to have our toes sucked, but not in the first two minutes of reading someone's posting. Things like that are made to be done behind closed doors. That alone tells you that it's not an easy topic to accept.

So with all that said, let's move on to another just as important aspect of online persuasion, your photograph. This can be as important as what you write. Even more so if it puts you in a bad light. Just as you take time to refine your words, take the time to have a flattering photo taken of yourself. Lighting is very important, so be sure to deal with someone who knows a little bit about it. If a good staged picture is not for you, a spirited candid is always a good choice. Show yourself in a fun situation or having fun yourself (no, not masturbating). You don't have to be the center of attention, but a great big happy smile on someone enjoying themselves can go a very long way.

Avoid taking, or rather, using a cell phone picture. The lenses are not made to flatter people, they're made to capture scenes. The quality usually sucks for something like this, and ninety-nine times out of one hundred you're not at your best in those shots. Stay away from posed family photos, You are not twelve any more. Your mom and dad should not be planting big kisses on your puss. Don't use a shot of you fucking someone. Women do not have the imagination to put themselves in the ladies shoes, or on her back. Men are supposed to be the visual ones. Don't include another girl in the picture rubbing cheeks or kissing you. You are out to find a new one, not remind someone of an old one.

If you're taking or having a picture taken of you, here are some pointers to look your best.

No one has a perfect body and we all know how to minimize the bad angles or slouch or paunchy tummy. So if you're a bit overweight in the face, don't take upshots of your face because it will make your double chin multiply. This also goes for skinny guys, because this isn't a good photo perspective – no up-the-nostrils-shots. Keep your expressions simple. They are open to interpretation in pictures and you may not get the right one.

Try to take a clear photograph, straight-on or from slightly above pointing down. It produces a flattering photo for nearly every face and body shape. Also, don't wrinkle your forehead or squint. This distorts your features and over a short time you're bound to get wrinkles.

If you are posting to a site that allows body parts, be sure to have flattering shots of them as well as your face. In other words, if you really want to get laid, post a decent picture of your body as well as your face. In today's visual world it may just not pay off if you post your ad without a photo. You probably won't even look at a house listing or anything for sale on the internet without a picture next to it. No matter how well your copy is written, a picture tells a thousand words. Just choose those thousand words carefully. Women are not like men; we won't fuck just anyone with a hot body. You can have the body of Mr. Universe and the face of George Clooney and most women still would not fuck you.

Think twice about putting a picture up of yourself eating hot wings or sitting on the toilet. You can poop and then get off the pot and take a good picture. No one is going to talk to you while you're sitting on the crapper; and you can't answer the phone if you've got hot sauce all over your hands.

It's probably not a good idea to publish a picture of yourself having sex. Missionary, doggie, muff-diving, getting head or otherwise. No woman wants to see who you've fucked, and then wonder why you would ever want to publish pictures of yourself fucking. The only people who should be doing that are the ones in porn that get paid to do it. They are usually much better looking with nice big cocks because they use them so much.

And don't publish a picture – with words – describing and showing what you want to do to a woman. We know what it looks like. Doing this just makes it seem like you

lifted the images from your favorite porn sites and we don't want to think that the man we will be seeing spends his time

is, oil up your groin and legs a little bit with lotion. Not baby oil. That makes you look too shiny, sweaty or sleazy.

surfing porn sites, let alone downloading pictures from them. We don't even want to think that you could be saving those pictures and movies on your hard drive. Women just don't do that.

Another major no-no that won't get you into our bed are headless pictures of you. That makes it even more obvious that you are ugly or have absolutely no confidence in yourself. Women like confident men. Not cocky men. Sure, there are some that like cocky men but that won't last long. We need to see the whole picture. If what's above the belt is worth looking below the belt, too.

If you chose to show your cock, show your cock in it's best light. It doesn't have to be hard; it doesn't have to be inside a woman's mouth or pussy. Just as you are going to take time to shoot a good shot of your face, use the same good judgement about your cock. If you know anything about photo tricks, or can even analyze a photo for it's better elements, then apply what you see to shooting your cock. The lighting, as always, is very important. The skin around your cock is important. That

Trim that unruly hair down there. The thought of putting our mouths on a big ol' hairy-bushed cock is not very inviting. You don't have to shave it all off, but trimmed back can be a good sign that you care about what's down there. Today, most sexually active women are shaved or trimmed to some degree. Men like that, and we like that in a man, too. But don't do fancy stuff, that's stupid, not cute. That means no lightning bolts, and especially no heart shapes. If you want any kind of attention paid to your balls, shave them, or at the very least, trim the hair.

Pictures of you grabbing your big hard on through your pants or inside your zipper is never a good idea. It just makes us think that you have a small cock and this is your clever way of hiding it. Even if you're the proud owner of a huge twelve-incher, it might be ugly or it might have something awful on it. We want to see your bare cock.

If you follow these tips, your chances will improve. It's a jungle out there, and the most successful hunters are the best prepared.

Carmella and TJ...

It's hot out today!

What can we do to make it even hotter?

Truck-stopping and fucking their way across the U.S.A.
Big boobs and a big cock is all you need to get there.
Move over good buddies, the suck and fuck is on.
Be sure the rod is greased and the piston pumps.
She'll be sure that the hot load gets delivered.

TJ's daddy was a truckin' man back in the sixties. Like his dad, TJ criss-crosses the country pullin' his heavy load. He had himself a girl at each truck stop until he got married. But the married life was not for him. His cock was a roamer and it looks for that sweet pussy everywhere.

Carmella was wild child. She doesn't like conformity and decided early on that the vagabond life was for her. There's no settlin' her down. Her mouth is too hungry for cock. Her pussy too wet to let dry. There's plenty of cock drivin' down the road so that's where she'll be a-lookin'.

You have something to say to us?

We have some satisfied readers, and some not so much,

TO THE EDITOR,

I have to write and tell you about my new thirty-something neighbors. Last week I was invited to our new neighbor's welcome-to-the-neighborhood party. Sam and Daniella had just moved in a couple months ago and were feverishly trying to get their house and yard in order. He had spent weeks fixing the back yard and she must have been decorating the insides. They had moved from across town so they had their friends helping as much as they could. Sam said they yard was finished but Daniella wasn't that sure about the insides. I even pitched in a few times to help Sam. He's pretty cool.

fun people and I should get to mingling. I look back towards Daniella and her friend, whose name Sam says is Gabby. They have abandoned the sprinklers as someone has unrolled a slip-and-slide and the two start sliding down it. On the first slide their bikini tops come undone. Without hesitation they both rip them off completely and throw them on the grass.

Sam laughs and motions me over to say hello to Daniella and Gabby. I say "I'm right behind you." I go back to staring dreamily at Daniella and Gabby rolling around on the lawn. Sam and I walked towards them. Daniella greets me with a nice hearty hug

It doesn't take long before Gabby's finger fucking action causes Daniella to cum with such force that her moan of ecstasy echoes through the cul-de-sac.

Once she recovers, Daniella kisses Gabby passionately, an obvious thank you for a great orgasm. Daniella returns the favor wholeheartedly, diving in between Gabby's legs without hesitation. Daniella takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Gabby wild. Alternating darting her tongue in and out of Gabby's pussy and quick flicks on her clit, Daniella slips a couple fingers into Gabby's love box causing her to go over the deep end with pleasure. It is only a matter of a few minutes before Gabby is moaning and grinding her hips into Daniella's face with the power of her orgasm. Daniella smiles wickedly after her climax. Looking up at the happy crowd surrounding them, she says "I think that was the fastest I have ever been able to get a girl to cum."

I have a little fantasy of my own about Daniella as the girls dry off. I am snapped out of my trance by Sam's voice... "Okay everyone, there's food in the kitchen." The small crowd disperses and some head into the house while others mingle and greet some newly-arriving guests.

I walk into the house and grab a beer from the fridge and some chips from a bowl on the table. I go from room to room checking out the new decor and mumble hello to different people who have gathered inside. I settle in a small cozy room with Chet, our neighbor and begin to ask him if he saw what went on outside. He said he was inside the whole time but had heard that Sam and Daniella were quite liberal. I laughed and agreed. Daniella now enters the room and a pair of low-slung jeans and a tight see-through top with no bra under it. She makes small talk with those of us in the room about the work she did on the bookcases. And how she and Sam have fucked

To our readers – We're abandoning our monthly Letters format to let you read this letter from Roy, the lucky neighbor to Daniella and Sam. We cut the letter down to fit in the space. While we don't know if Roy is pulling our leg with this story, we'll take his word that it really went down this way. If it did, all we can say is – why don't we have neighbors like this!!! – Ed.

It was Friday and I was returning home from work. As I turned the corner onto our street, it was full of cars and a bevy of activity. I pull into my driveway and drop my stuff in my house. A quick shower and head for the neighbor's with a bottle of wine in hand.

I see the party has begun and I head around the side of Sam's house to the back yard. Going through the gate I see Daniella running through the sprinklers in the yard playfully teasing her girlfriend to do the same. They laugh and play with one another in the water their nipples getting harder with each cold splash of water that hits their bodies. I can't tear my eyes from the two women frolicking in the water. Sam emerges from the house and greets me. "How are you liking my little neighborhood gathering so far?" I smile "I wish all neighborhoods were really like this." We stand there watching the ladies playing. There are about ten other guests. A couple I recognize from down the street, but the rest are new to me. I ask Sam who they are and he points around the yard telling me names I'll soon forget and what they do. He reassures me they are all

and I get an introduction to Gabby as this is my first time meeting the raven-haired beauty. Gabby and Daniella begin to shiver and Sam asks them if they want to cover up. They both answer passionately in unison with the spirited, "NO!"

We are introduced and I can't help looking at their boobs. Daniella's are medium sized and pert, while Gabby's are larger with large nipples. Both are great looking ladies with great bodies for their age. Daniella and Gabby are back to their sexy yet playful wrestling on the slip-and-slide. After another slide, their bottoms come off and the two slip into a soggy sixty-nine right there in the back yard. Gabby wastes no time diving into Daniella's love box, teasing her clit with her tongue as she jams four fingers into Daniella's tight pussy. Daniella squirms and wiggles all over the slip-and-slide not holding back her squeals of pleasure as Gabby works her muff diving expertise on Daniella. Daniella flips her legs over her head and Gabby takes the cue, slipping her fingers deep inside Daniella's pussy, working her fingers in and out of it.

but all are welcome to let us know what they think!

in every room but this one. Sam now enters and they sit on the sofa telling us more about the house. They then turn to each other. Sam asks Daniella if she is ready to christen this room and she nods with a grin. Daniella strips off her clothes and slowly drops to her knees, unzips Sam's pants, pulls out his cock and begins to give his cock a little oral attention. Daniella gobbles up Sam's member hungrily, it is obvious that she is genuinely enjoying the taste of his cock. Not bothered by the audience in the room, she continues sucking him as he gets up to take off his pants. Seemingly oblivious to us, they indulge in their passions as we watch.

With Sam's prick now cocked and ready for action, he picks up Daniella and places her on the sofa so he can return the oral loving. Sam's passion towards Daniella definitely comes through as he teases and taunts her pussy with his tongue. Once Daniella's love box is wet and ready for the taking, Sam pulls her up to her knees and makes her bend over on all fours. He enters her in the doggy position and Daniella squeals in pleasure with each thrust of Sam's cock. The sounds of sex echo throughout the house as the couple's fucking becomes increasingly heated. This brings a few more people who stand at the doorway watching the action. Sam takes a moment to kiss Daniella passionately before switching positions. Picking her up gently, Sam drops her on her back onto the sofa and enters her missionary and they proceed with their zealous love making.

In the middle of it, Gabby enters the room holding a glass of champagne. She puts it on a side table and walks over to the fucking scene. She reaches under Sam's ass and begins to fondle his balls. He looks back and smiles at her. She grabs his buttocks and pushes him deeper into Daniella's pussy. Pulling her top off as she walks over to me, Gabby asks if I would undo her

bra in the back. I stand up and oblige and she turns back to thank me, pausing for a moment to let me adore her chest. "You like these, don't you?" she asks. I nod and she continues. "I liked the way you looked at them in the back yard." I think I turned twelve shades of red as she puts her hand on my shoulder to steady herself as she pulls her legs out of her pants. "Would you like to pull my panties down?" I nod like a dufus but keep it together to do it. As she

steps out of them, she hands them to me and says hold them. Gabby turns and goes over to Sam and Daniella and sits right on Daniella's face. She grabs Sam by the hair, pulls him towards her and plants a big sloppy kiss saying "Happy housewarming." He smiles back at her and continues to fuck Daniella's pussy as Gabby grinds her hips down on her face.

Gabby then pushes Sam off of Daniella and as he stands, she grabs his cock and starts to lick it. Taking a moment, she says "Damn Danni, you taste great." Daniella mumbles back through Gabby's pussy still sitting on her, "So do you." Gabby dismounts off of Daniella's face and the two then begin to suck Sam's cock together. With both girls kneeling in front of him with his back to us, we don't get to see much.

I think Gabby sensed this and motions to me with her finger to come over. Like a puppy dog, I stand up and realize my cock is huge inside my pants. I go over, hands in pocket, but Gabby pulls them out and caresses my cock over my pants. She commands, "Take them off." and in a daze, I do. She pulls out my cock, leaving Sam's for the pleasures of mine. She is really good at cocksucking and after just a couple minutes, I cum. She takes it in her mouth but spits into the champagne glass she had put on the side table. "Okay, you can go back." she says to me and goes back to helping Daniella with Sam. With the two girls working together, Sam lets out a scream as he cums. Gabby again takes the cum in her mouth and drips it into the same glass. By now I have put my pants back on and slip out of the room. After a few minutes, I find myself in the kitchen reaching for another beer when I hear Gabby's voice, "You still have my panties." I mumble an apology and she smiles. "Do you have a beer for me?" I go back to the fridge and get one for her. We sit at the kitchen table and begin a nice conversation. She says she really likes the neighborhood and is thinking of finding a house near here. I say that would be great and we talk well into the early morning. Gabby gives me her number and invites me to call her. I leave the party pretty drunk but with memories that will last a lifetime. Hope you don't mind my sharing this with you. If Gabby does find a house nearby, I'll let you know.

Confessions of a Hot Older Woman

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
